YOU WANT TO BRING VALUE TO

## I WANT TO SEE YOU WIN!

As an experienced or new content creator, I know how frustrating it can be to want nothing else, but to do what you love and provide value to others. Only to come up against roadblock after roadblock...it's enough in fact that a lot of creators quit...and that's unfortunate.

So my passion is to give creators the tools, resources and inside information they need to find their success in this industry. While simultaneously educating luxury hotels, boutique hotels and vacation rental hosts on the immense value professional creators can bring to their properties.

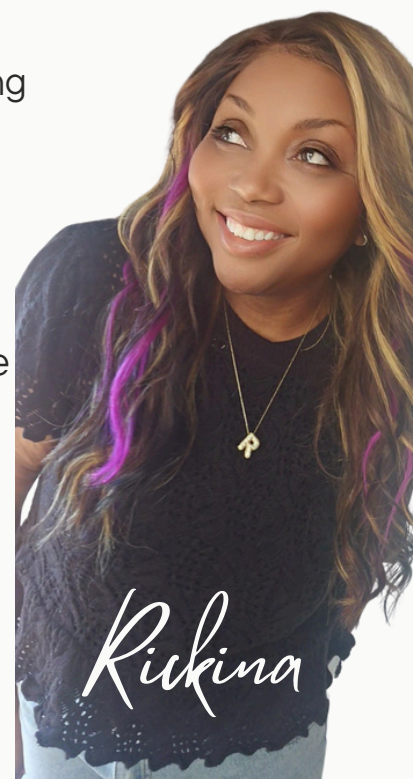

Landing collaborations with boutique hotels, vacation rentals, and luxury resorts can feel overwhelming—especially if you're just starting out. That's why I created this collection of 15 proven pitch email templates to help you confidently reach out and secure amazing content opportunities.

I want to see and hear about you landing partnerships and the amazing places you get to experience.

And if you're looking for even more opportunities to connect with incredible hotels and hosts, stay tuned—[Anchor & Roam](#) is in beta accepting creators like you to partner with top-tier stays, get exclusive travel perks, and grow your content business.
